

## Building a Hybrid RB26 Z

### Part 11 Even more Conversion Parts

While I am waiting to get my replacement block I continue to get parts as I get time.

2<sup>nd</sup> hand Nismo cap off an import motor A\$30  
Goes well with the polished cam cover and the more traditional look of the 70's

New Twin Turbo badge from Nthside Nissan A\$5.60

New water pump from  
Nthside Nissan A\$300

2<sup>nd</sup> hand engine/gearbox  
brackets from Jap  
Wholesale A\$30
